## REMARKS OF FAMOUS MEN

About the Famous Poet, Humorist and Orator

Who will be at the Grand Opera House this evening as the second attraction of the Star Course.

Gen. Sherman: "He is a genius."

Gen. Euterfield: "Perfect and immensely entertaining."

Gen. Miles: "The greatest heroic poem I ever heard."

Gen. Logan: "The only man who could get the multitude quiet."

Gen. Alger: "California never does anything by halves. This is an original, not a chromo."

Gen. Howard: "Few men can move and sway at will a large audience as he does."

Gen. Sickles: "They laughed and laughed, and would have more."

Gen. McMahon: "Nothing better, no one better."

Gen. King: "Full of humor and pathos."

Col. Clarkson: "Every poem new. We could have listened another hour."

Chauncey M. Depew: "Be patient, gentlemen, we are to have more of Brooks later on. Most streams are larger at their mouth than at their source. It is not so with Brooks."

Wm. McKinley: "That's good, that's good, and so original."

Seth Low, Mayor New York City: "The most thrilling and dramatic recital I have ever heard is Fred Emerson Brooks' poem 'Pickett's Charge.'"

Henry Watterson: "I regard Fred Emerson Brooks' 'Pickett's Charge' the greatest poem I ever heard, and the superior of Tennyson's 'Charge of the Light Brigade.'"

He's no thymster; he's a poet! He's no reciter; he's a great orator! He's a genius!—Nym Crinkle, New York World.

Your noble poem, "A Worthy Tribute to My Brave General," shall be ever treasured by me, and be incorporated in the new edition of my life of Stonewall Jackson.—Mrs. Storewall Jackson, Charlotte, N. C., Jan. 5, 1896.

My heart goes out to you in a flood of thanks for your wonderful poem "Pickett's Charge," and your noble efforts to honor the name of my hero-husband.—Mrs. L. De C. Pickett, Washington, April 6, 1905.

Rarely do we find an author possessing such dramatic power as you displayed in the rendering of "Pickett's Charge," and also in your other given you by the large audience was certainly evidence of their appreciation. With all kind wishes.—Geo. W. Mahaffey, Y. M. C. A. Secretary, Boston, Mass.

Mr. Fred Emerson Brooks, "The California Poet," impresses me as a man of rare genius. He has complete command over all the keys of pathos and humor, and he never strikes a false note. I could hardly praise too highly the "Reading" that Mr. Brooks has recently given in our city. From beginning to end, it was a treat, and I doubt if any entertainment of recent years has been more widely and heartily enjoyed. Especially excellent was his rendering of "Pickett's Charge at Gettysburg."—J. H. Simmons, President William Jewell College.

## DEBS MADE GREAT GAINS

HIS VOTE MAY REACH SIX HUNDRED THOUSAND THIS YEAR.

(By Publishers' Press.)

CHICAGO, Nov. 10.—William Mailley, national secretary of the Socialist party, claims that Debs' total vote will reach six hundred thousand.

Four years ago Debs, as the Presidential candidate for the Socialist party, received 37,769 votes in the entire United States. Illinois gave Debs his banner vote. Averaging his vote over the State, including Cook county at 10 per cent., he has 100,000 in Illinois.

In Wisconsin the percentage gave Debs from 45,000 to 50,000.

These figures are almost sensational when compared to the vote of 524 for Debs in Wisconsin four years ago. In Indiana, Debs had 12,000 votes, an increase of 10,000 over four years ago. In Iowa he received 10,000 votes.

Estimates made in Portland last night show that Debs received 22,000 votes in Oregon. Four years ago Debs mustered 1,466 votes in the State.

In Minnesota the Debs vote is estimated at 10,000. Nebraska gave him four thousand votes, whereas four years ago, he counted only 823.

In Kansas the Socialist vote was swelled from 1,600 to 8,000. In Wyoming he received only 500 votes. Utah, however, gave him 3,000, a gain of 2,300 over 1900. Estimates of the Debs vote in South Dakota made at Pierre last night placed the figure at seven thousand. Four years ago Debs had only 176 votes in that State.

In North Dakota his vote is estimated at 1,500. Montana gave Debs 5,000 votes. In Colorado the labor vote, which apparently went to Alva Adams in the hope of defeating Peabody, for Debs, recorded only 1,800. In Nevada he had 700. Idaho gives him more than four thousand. Down east Debs made large gains. Massachusetts gave him from 12,000 to 13,000. Maine 1,500, Rhode Island nearly a thousand.

In Vermont, however, his vote is less than 100.

Texas swells the votes in the Debs column by giving him at least fifty thousand.

## IT DEPENDS

ON WHERE YOU SIT DOWN AS TO HOW MUCH IT COSTS YOU.

Het Brown was the star in police court this morning. Het, in company with an Italian, was seen to enter a vacant house on Mill street in the First ward about eight o'clock, previous to which they paraded the streets with arms around each other. Officers Fortney and Minnear deputized Harry Kiger and the three found the couple on a side porch of the unused house. Both were pretty drunk and Het had to be assisted into a portion of her clothes. The gallant Italian put up ten dollars for his appearance and let Het go to jail, where she languished all night. In police court this morning one of the witnesses intimated that the son of Italy was Het's lover, whereupon she contemptuously remarked: "Huh, you can't talk to them blockheads." The mayor listened to the evidence and fined Het ten and costs. "You might as well make it fifty," she said, "and I think it's high time to get out of the country when you have to pay for sitting down." "I don't know about that," said His Honor, "but the location of the place is rather essential." Het was taken back to jail.

"Jim Pat" Fleming was pinched last evening for having a lovely skate in his possession. He had two dollars and thirty cents of the five dollar fine imposed and was taken back to the lock-up.

## MISSOURI

HAS GONE REPUBLICAN BY FOUR THOUSAND FOR ROOSEVELT AND FAIRBANKS.

(By Publishers' Press.)

ST. LOUIS, Nov. 10.—The Missouri returns show Folk is elected governor by a majority that may go to 43,000 and surely is over 40,000. He carried the State ticket with him, excepting possibly Cook, for secretary of State, and Allen, auditor.

Calculation on percentage of Democratic loss indicates four thousand Roosevelt plurality. The State Legislature will be Republican on joint ballot. The indicated majority last night was fourteen, with the possibility that it may go to fifteen or twenty.

Incomplete returns indicate that the next Missouri delegation in Congress would consist of eight Democrats and eight Republicans.

## ASKED FOR ARMISTICE

Has General Stoessel—Japanese Inflamed By Action of Russians.

(By Publishers' Press.)

TOKIO, Nov. 10.—It is reported that General Stoessel, in command of the Russian troops at Port Arthur, has asked for an armistice. The purpose of his request is not stated. The Japanese are said to have been inflamed by the Russian abuse of Japanese wounded, and it is therefore hoped that Stoessel will capitulate to prevent the Japanese troops from avenging these reported indignities.
